ABOUT US

Who are we?

We are Web Active Technology. We do everything web and more. We are a leading, highly innovative software house, systems integrator and technology provider, established to provide leading edge intelligent technical solutions and consulting services to businesses. We also develop mobile applications and different types of systems in accordance with our clients' use cases. We pride ourselves on reliable communication and timely delivery of projects.

VISION

To inspire technological innovation in Africa.

MISSION

Moving into the future with technology.

OUR SERVICES

We design beautiful, engaging user experiences for the Web. We also develop mobile applications and different types of systems in accordance with our clients' use cases. We also sell different types of ICT products.

DESCRIPTION OF OUR PRODUCTS AND SERVICES

- ‡ Mobile Application Development
- ‡ Website Development
- ‡ Marketing
- ‡ Social Media
- ‡ eCommerce Stores
- ‡ Tech Support
- ‡ All ICT Gadgets

MOBILE APPLICATION DEVELOPMENT

We offer a full cycle of application design, integration and management services. Whether it is a consumer oriented app or a transformative enterprise-class solution, the company leads the entire mobile app development process from ideation and concept to delivery, and to ongoing ongoing support.

WEBSITE DEVELOPMENT

Web Active Technology specializes in website design and development services. Our web experiences are high-performing, feature-packed and digitally transformative, designed to be user-friendly, fully functional, very secure and able to scale as your enterprise grows. With up to 85% of consumers visiting company's or service provider's website before making a purchase, more and more consumers make decisions based on their online experience: the appearance, usability and accessibility of your website is more important than ever, especially in an increasingly competitive market.

MARKETING & SOCIAL MEDIA

Web Active Technology provides marketing and social media management for small businesses, enterprises and multiple-location companies. No matter if you own a startup or an established company, our marketing and social media marketing experts can assist you with your campaign. Partner with us and let our marketing experts boost your brand visibility and integrity!

ECOMMERCE STORES

We are Web Active Technology. Your one-stop solution for your online e-commerce store management. We will create, maintain, optimize, and customize your online store completely. Our ecommerce virtual assistants are capable of handling even huge store management tasks. They will ensure highly accurate, precise, and flawless ecommerce store management for your business.

05

TECH SUPPORT

Web Active Technology has a technical support team that provides assistance and service for clients, who have a problem related to their electronic products such as computers, mobile phones, or other hardware or software.

06

ALL ICT GADGETS

All of our computer accessories and ICT Gadget are sold at affordable price with warranty. We are reliable and verifiable. Distance is never a barrier to us. We can ship to every part of Zimbabwe through reliable logistics companies. Buy from us and have peace of mind and remember we sell only the best products.

OUR TEAM

This is our A-Team!
